Sir,

I have the honour to state that water hyacinth, weeds and other rank vegetation have grown to a large extent in Koramangala tank and on a smaller scale in Chikkere and Hosahalli tanks to - which the drainage of this City and extensions is finally let in. As they had to be removed immediately to avoid mosquito nuisance which is one the increase in those places, a proposal to entertain a temporary gang of 20 men on a pay of Rs. 12/- each per mensem for a period of two months was placed before the Municipal Council who, at their meeting held on 14th February 1942, have approved of the proposal. A copy of the resolution of the Municipal Council is enclosed for favour of obtaining the sanction of Government for entertaining a gang of 20 men at Rs. 12/- each per mensem for a period of two months from 18th February 1942 on which date, the gang commenced the work. The expenditure on this account will be met out of Rs. 30,000/- provided under E(1)(b) for Anti-Malaria establishment.
